FILL HEADING

Bye-laws to provide for regulating the mode of construction stables, cattle sheds and cow houses and connecting them with municipal drains

FROM The commissioner corporation of the city of B'lore

No H1(5)/S2 S3 Dated 4.10 S2 Received

Diary No 3370 / 82	Enclos	Spare copies	Serial No

BRIEF ABSTRACT OF LETTER

Forwar for approval draft of the above Bye laws tendered as per instructions issued in Govt no 129 dated 25 7 82

NOTES AND ORDERS

The draft as stated to be based on the model of the Madras Bye laws, a copy of which is also sent enclosed for Reference

2) The observations of the administrative Secretariat on this behalf on the Govt of 25 7 82 referred to above is extracted below

The distance of the shed from human habitation is to be specified under the bye laws by the Health officer which would cause the matter to his discretion it may be more desirable to express by for

NOTES—First Sheet

WD 0375—CPB—5 000—4-11 1

the maximum distance in the bye-laws itself

Bye-law 3 - makes it obligatory or mandatory that the Construction of every building in such premises should be of masonry, Gender every part thereof being of non inflamable material Dwelling in the Conditions now obtaining cannot be considered a flourishing industry and the insistence only on the Expensive masonry Construction of Sheds and Stables though much to be desired, may not Retard the growth of this trade, and Seriously affect the Supply position of milk in the city - What may be Required from the point of Safety & Strength Non inflamability and decency In the present Rapid advancement of Constructional Engineering other cheaper materials Satisfying these Conditions may be already available or become available in future A total ban on other cheaper substitutes for masonry in the bye-laws may Cause inconvenience to persons in the Trade Hence it may be desirable to permit the use of any other approved non inflamable durable materials for these Constructions

Bye laws 4(a). Health Boards and persons are again to be approved by the Health Officer The testing of such decoction in any individual will Expose him unnecessary Rest decoction to the charge of malicious distribution from person to person and it is therefore

Copy of letter No.506/52-53 dated 4th October 1952 from the Commissioner, Corporation of the City of Bangalore to the Secretary to Government, L.S.G Department, Bangalore.

Subject. Bye-laws framed under the City of Bangalore Municipal Corporation Act, 1949

Reference Paras 47, 49, 50, 51, 54 and 63 of these Notes.

As desired by Government the various bye-laws have been examined in separate files and the suggestions made in paras 10 and 36 of these notes have been carried out in the concerned draft bye-laws by taking necessary extracts of the relevant portion of the notes containing the suggestions and remarks on the various draft bye-laws.

Certain general remarks have been made in respect of the license fees which have been included in the draft bye-laws With reference to those remarks, the portion relating to the levy of license fees have omitted and a separate schedule showing the rates of license fees for the various matters mentioned in the Act will be issued in due course in a compendious manner

Each draft is forwarded to the Government separately and copies of the bye-laws of the Madras Corporation on which the draft bye-laws are based have been enclosed along with the conderned draft bye-laws Two volumes containing the bye-laws of the existing Bangalore City Municipality and the Civil Station Municipal Commission are sent herewith for reference as se parate copies of the bye-laws are not available The Government may be pleased to approve the byelaws and return them. Arrangements will be then be made to print them in English and Kannada in a book form incorporating the sanction of the Government in each case Six copies of such printed copies will be sent to Government.
